HAWK MAIL

HAWK Magazine

801 Second Avenue

New York, NY 10017

www.hawkmag.com**Carli**

"Hi guys, it's Carli Banks. Thanks for sending me my mail. I was particularly fond of Chip's note. Please tell him that I do indeed have C-cups (I'm 34C-24-34), thank you for noticing! Ask him to send a picture of himself so I can see if he's as cute as I think he is! There you go, Chip, time to get out the camera. Best of luck!"

Dear HAWK,

As a working mother, snooping is an important part of my day. With six kids, I've come across plenty of crazy things over the years, from a chewed-up beer can to a cereal box filled with monodes, but your magazine is the most shocking thing I have ever found during my daily meddling.

You see, my only daughter was always a chunky girl, but since she turned 18 she has shed the weight and really embraced her teenage sexuality. You might think that would concern me, but for years I was worried she'd never feel good about herself, and be able to find a man. I was wondering what had caused this turnaround until I found your magazine under her bed.

Dear Carli,

I had heard the expression "pretty in pink" before seeing your pictures in the Holiday HAWK, but I never really knew what it meant. You changed all that.

The pink sweater you sport captures your fit form beneath. Those wonderful breasts cannot be disguised. What cup size are you anyway? Your boobs are pretty big. I'm guessing a C-cup.

What really has me thinking pink is your smooth-shaved pussy. Your pink hole is magical, I swear I can smell and maybe even taste you as I look at your pictures. And you smell and taste terrific!

Please write back, my dear. I only want to worship you.

Chip**Sacramento, CA****Dear Chip,**

We sent your letter to Carli and a few days later had this message on our answering machine:

**Lucky**

Casey Parker

It was folded open to the pictures of Lucky. She's an appropriately named young lady, with such a lovely body and great taste not only in her undergarments, but also in how to please her man.

HAWK, I'm pleased with what you've done with my daughter. I give you full credit for getting her in shape and introducing her to a healthy sex life. Lucky isn't the only one who's lucky—we're all better off having her, and your wonderful magazine, in our lives.

**Florence
Norfolk, VA**

Dear Flo,

You are a woman of great insight and we can add only that we are happy to have both you and your daughter among our readership. If there is any other way we can help, don't hesitate to let us know!

Dear HAWK,

I'd heard about Casey Parker before, but I didn't understand what all the hype was until I picked up your Holiday issue. That California girl has got it all!

As a Midwesterner, I've always been fascinated by California girls, what with their surfing and tan bodies and Beach Boys songs, they are obviously superior to the rest of us girls out here. But what's cool is, I don't get the feeling that Casey, as beautiful as she is, looks down on the rest of us girls. And I really respect that.

I wonder if Casey would ever consider getting with a girl like me. I know I'd love to rip those little bikini bottoms off her curvy bum and go exploring below her equator. It would sure make my first California vacation the best trip ever!

**Shirley
Milwaukee, WI**

Dear Shirley,

Casey is an equal opportunity lover—men/women, folks from California/folks from everywhere else. She is also a busy girl and doesn't get the opportunity to meet with all her fans as they visit the state, so lately she has been touring the country's finer gentleman's clubs, so be sure to say hello when she comes through your town!

Dear HAWK,

Can I take a moment of your time to let you know just how much I loved Erica (HAWK, Holiday 2007)? Her luscious brown hair, the ample bosom, the way she slides out of her clothes, the little muff on her delicious mound. What guy wouldn't want to sink his salami into her teen perfection? Can you answer that? Can you?

Thanks for your time.

**Raymond
Carbondale, IL**

Dear Raymond,

We're always happy to find out how our readers feel about particular girls, otherwise this would be a lonely job. We don't have the answer to your tricky question, because we think all men must love Erica. What's not to love?

Erica

HAWK presents...

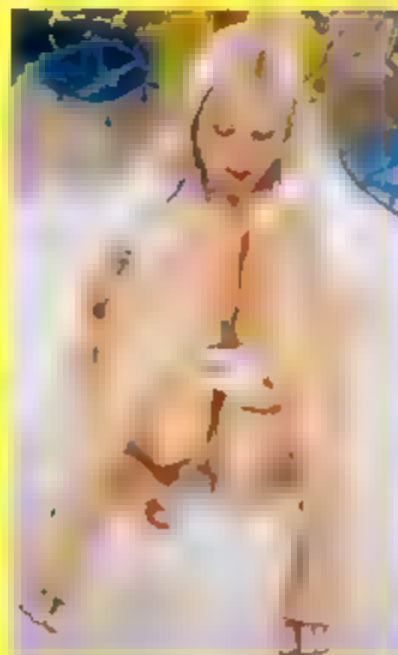

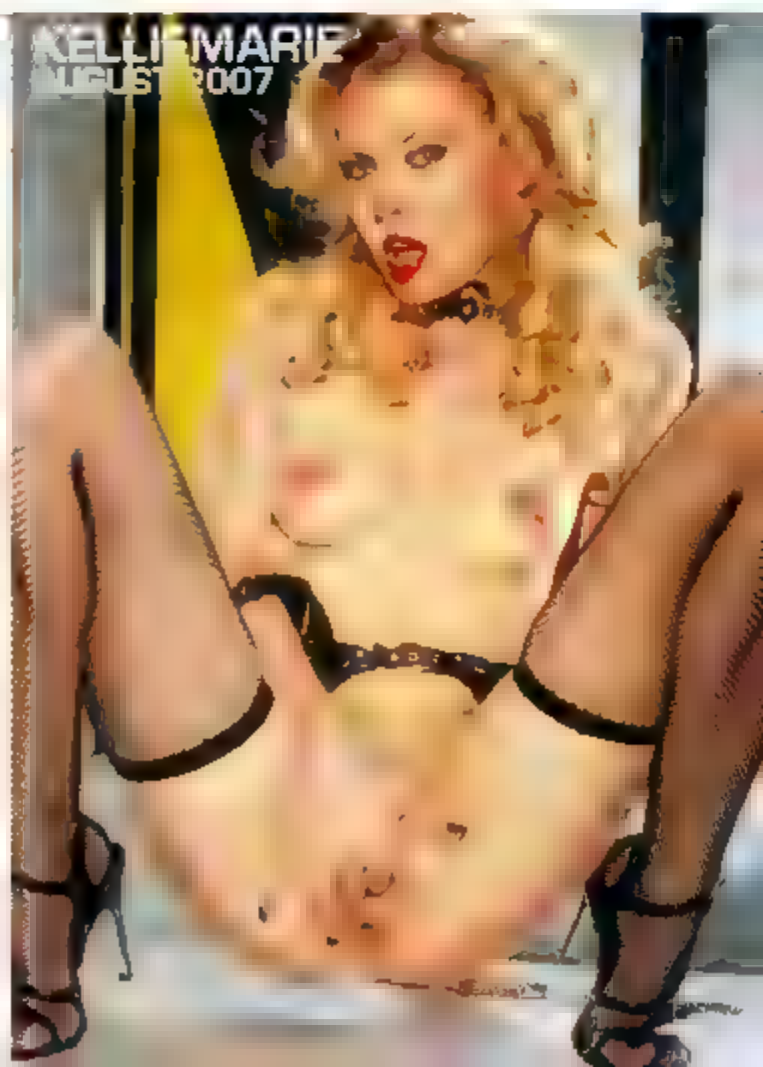

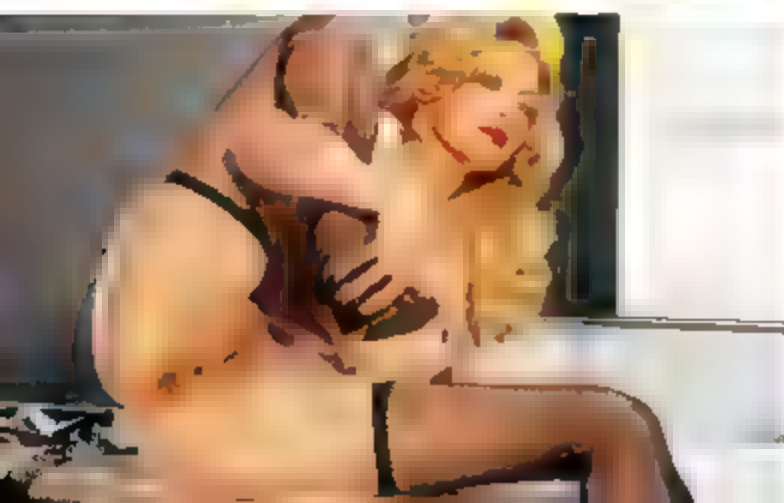

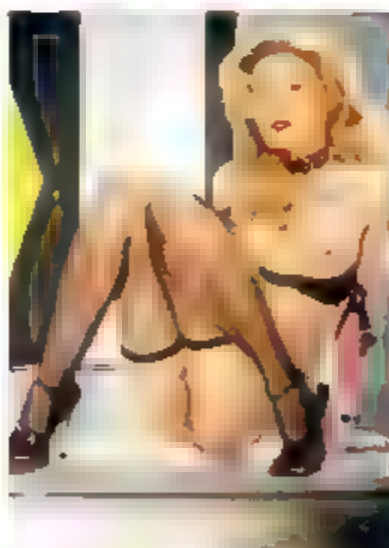

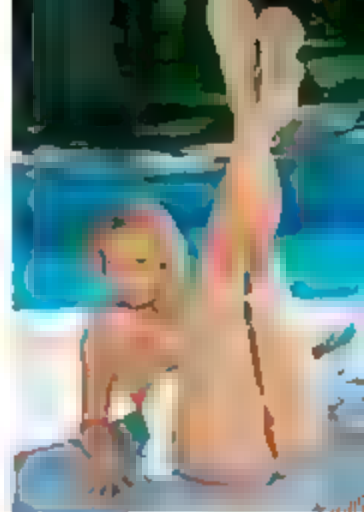

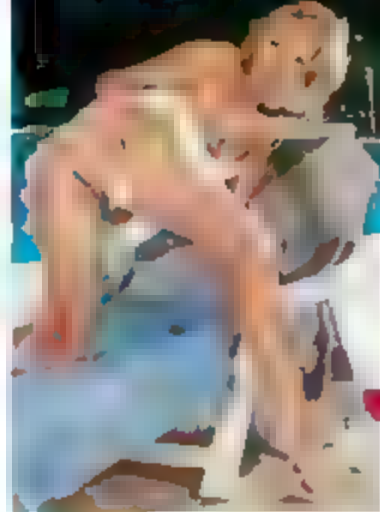

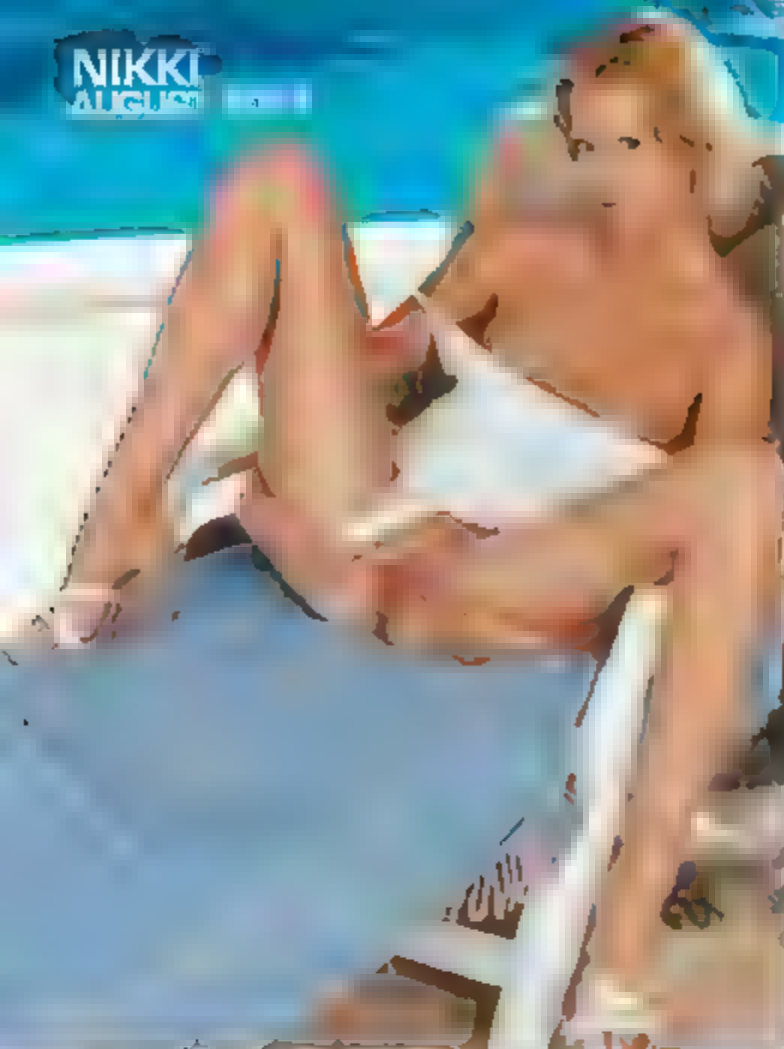

LUSTY LEGS

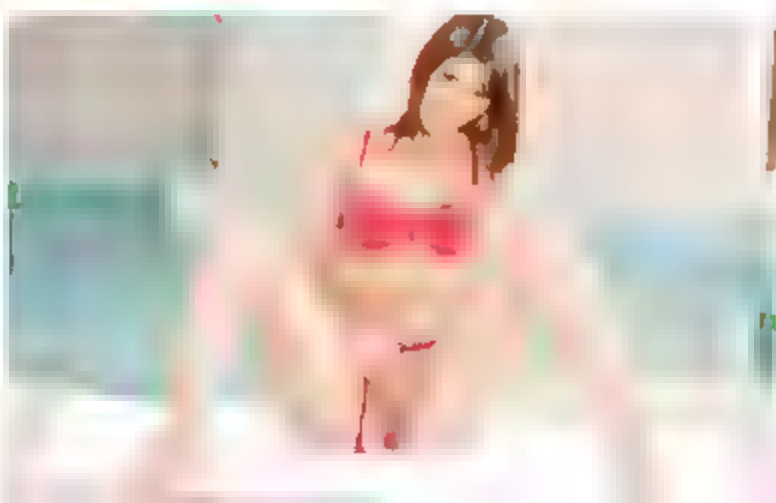

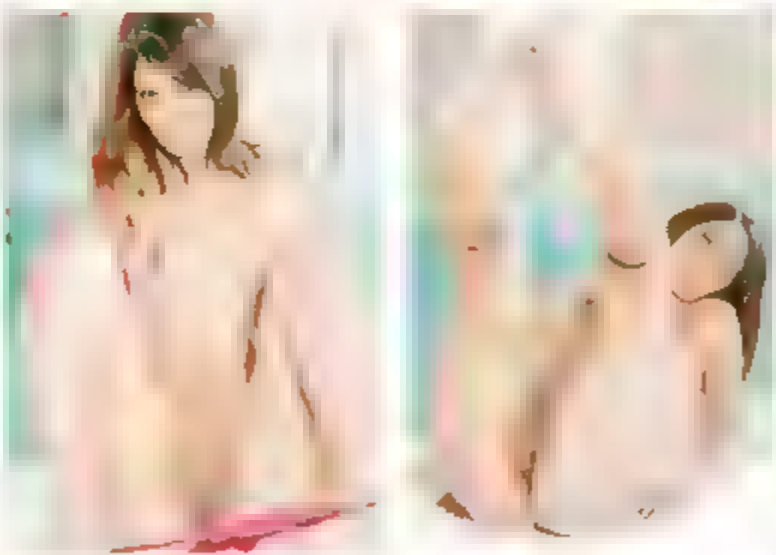

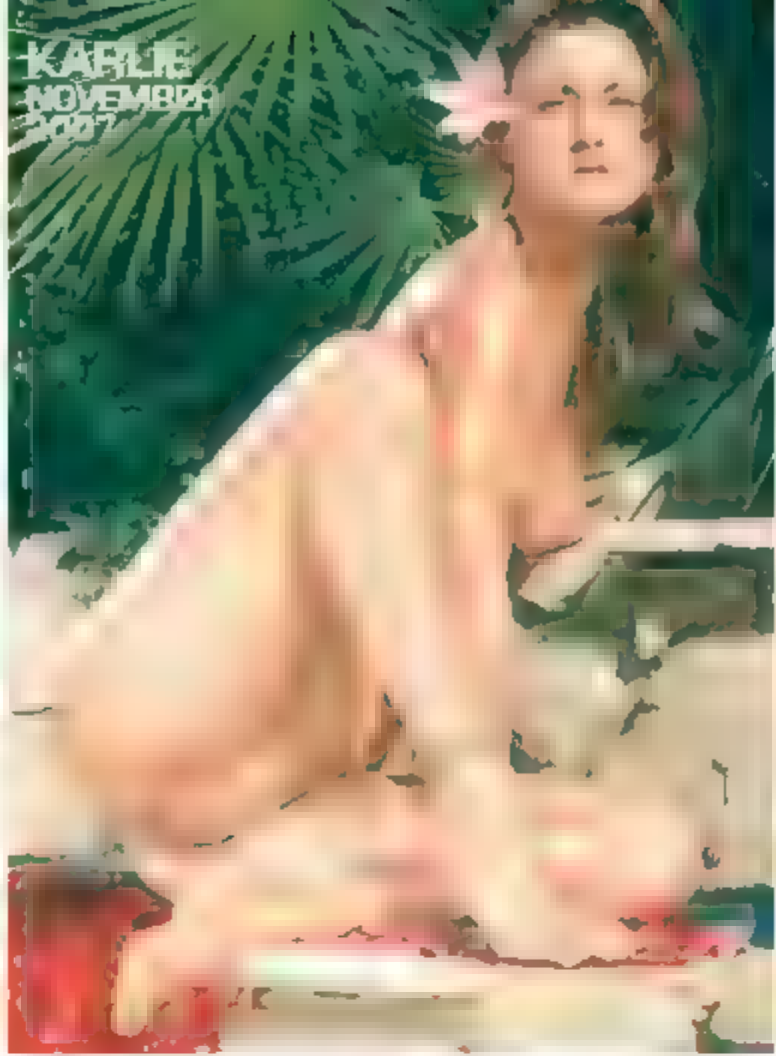

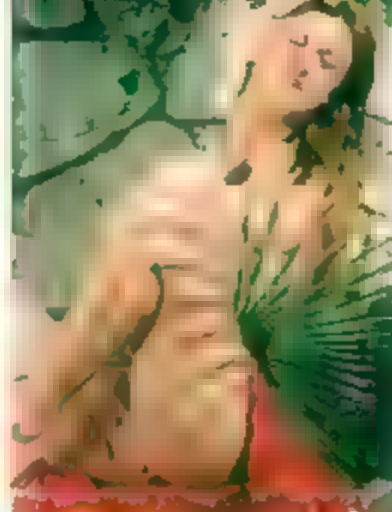

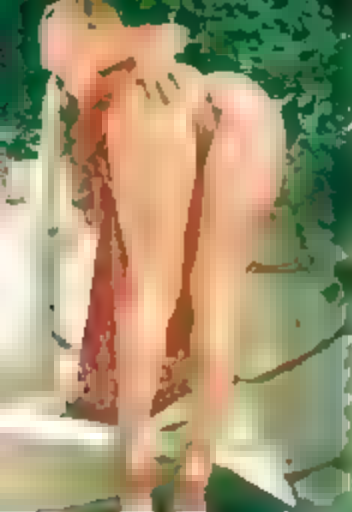

WE ALL APPRECIATE a shapely set of stems on a hot, young babe . . . they're more than just for walking on. In heels, a fine pair of legs can jutt out a beautiful butt and make that look delicious. Besides getting our attention, a great pair of legs can be used to wrap around you, pull you in harder as you plow your favorite pussy. HAWK babes all have luscious legs, but these are some of the finest from recent memory. When uncrossed, wonderful legs reveal a coveted treasure indeed. Open Sesame!

HAWK
classic

Trisha

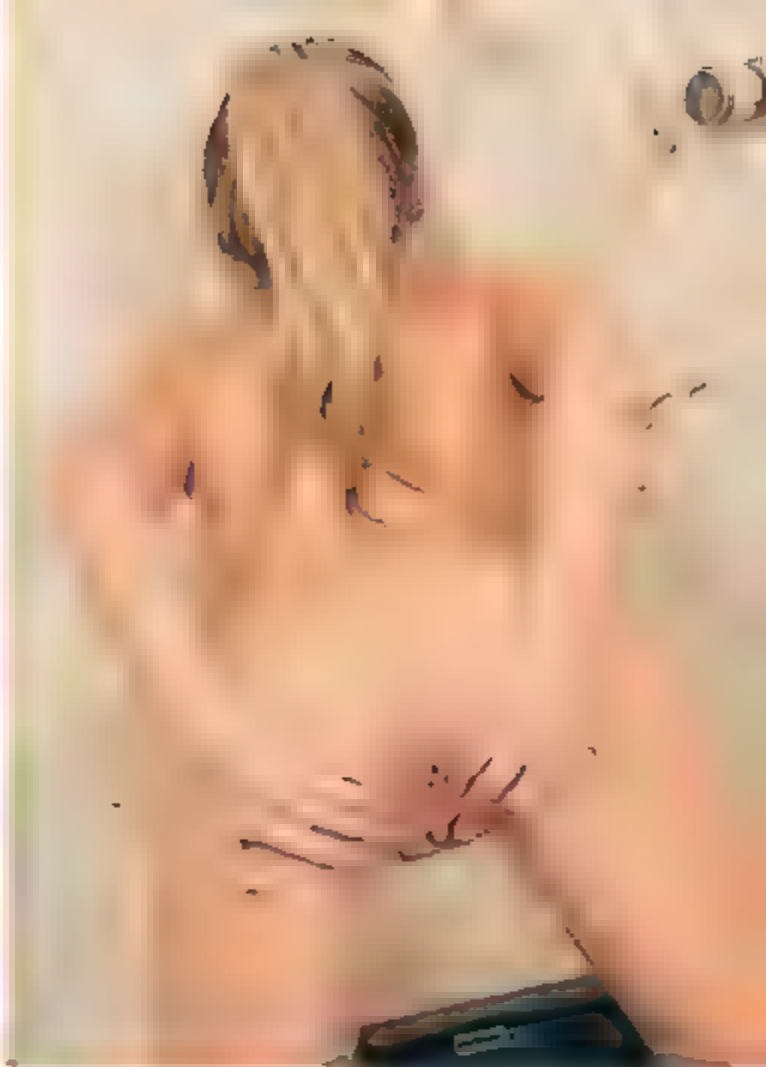

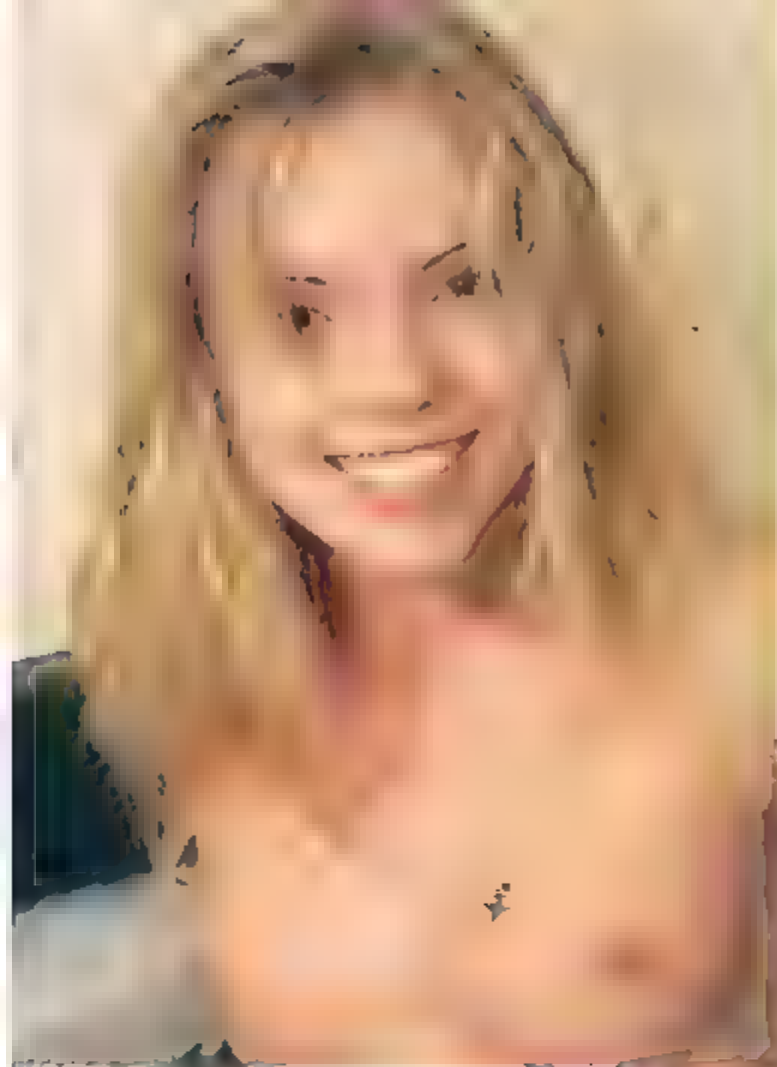

She's a squeaky dean teen with a very dirty mind. I like to spend a lot of time naked, you know? Being 18 in this house is a real drag, what with having to say 'please', 'thank you', and 'may I?' every time. My parents are so proper that my mother probably asks for permission before she can orgasm! I guess that's what's made me such a dirty girl. The tub is the only place I can cum without leaving a stain or a scent. I love how a room smells after I cum, but my mom would most likely yell at me to go buy air freshener. I'd love to bring a guy home, get him all soaped up and hard in this tub by letting him finger me and stuff and then wait him into my parents' bedroom for a filthy fuck! Go down on a big cock in my folk's big bed and have him cum all over everything! I want him to cum on me, on the sheets, on the nightstand, and then finish off with a big giop in my mouth! Umm!

Zara & Nelly

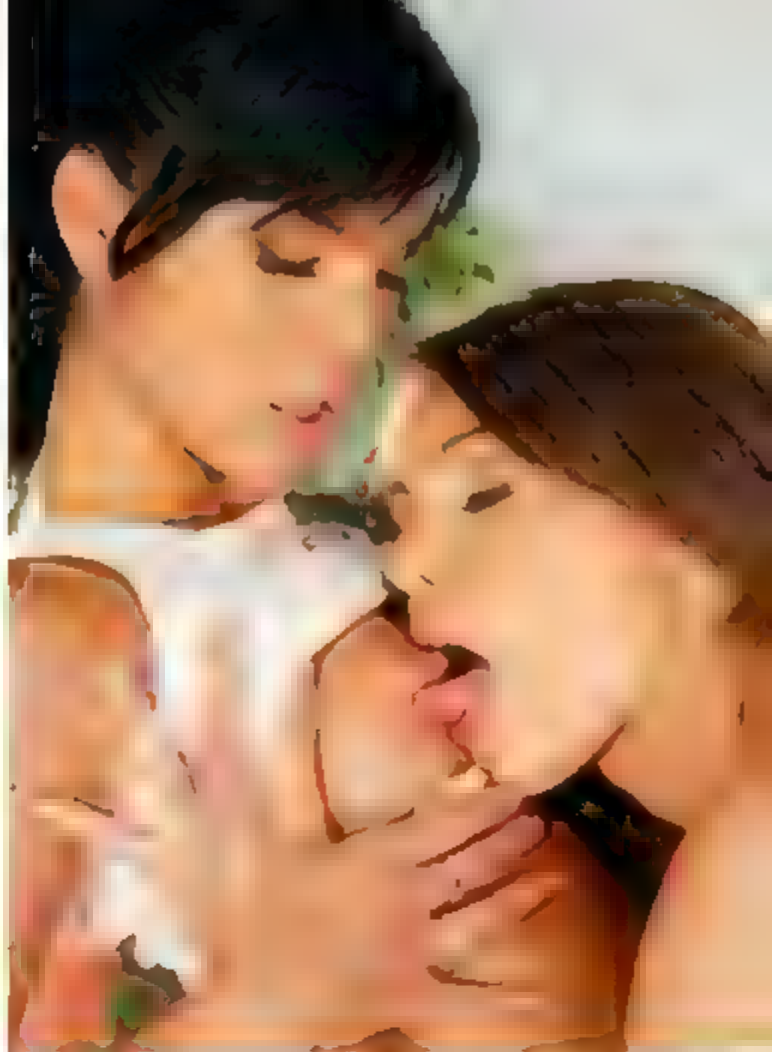

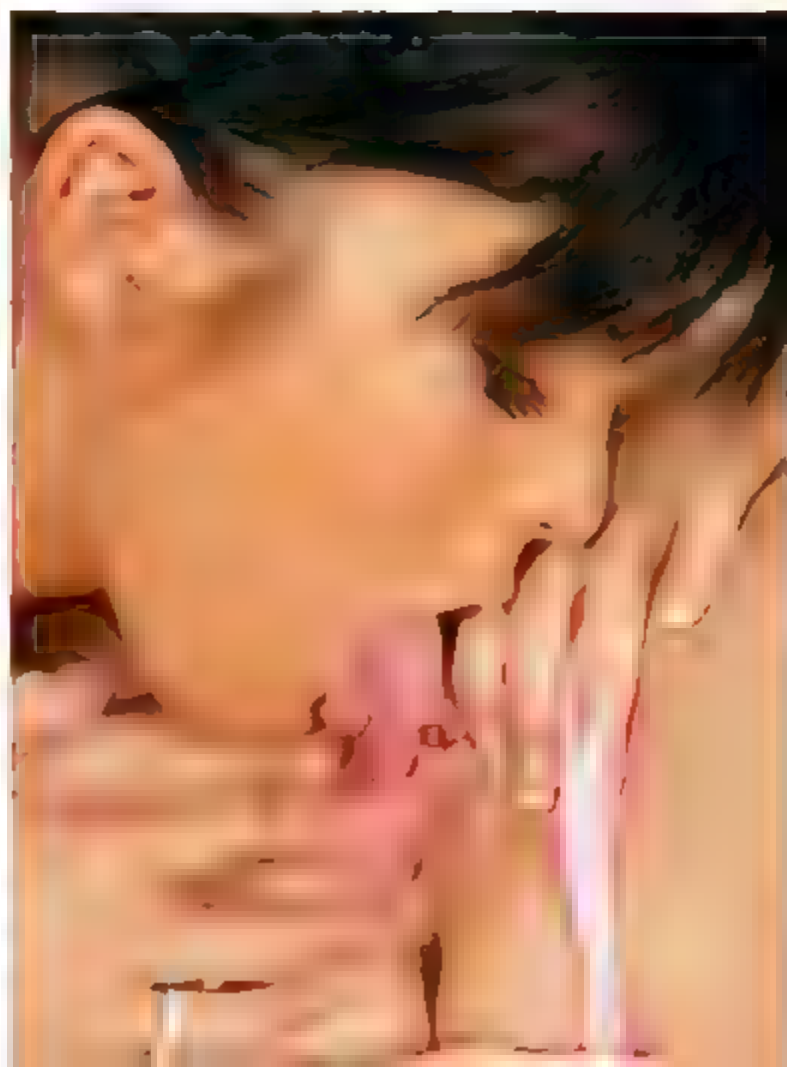

The one thing that Zara and Nelly can't do when they get together is keep their hands off each other. These wet and well-blossomed brunettes tear into every creamy crevice with a carnal desire that'll make any admirer of the mound very proud and very horny! When these two go at it, there's not an inch of seductive skin that goes without being tongued or touched. Zara and Nelly's raunchy rendezvous is not for the timid, when these girls go for the gash, rest assured, they hold nothing back! While this is a girl's only party, you're more than welcome to make yourself comfortable, and with a few strokes of good luck, you'll get off watching these girls fuck!

CUM ON MY Tattoo

Story By Acme Andersson

COVERED IN TATTOOS—and those tattoos covered in cum—is the order of the day from Joanna Angel, the sweet and sassy New Yorker who has almost single-handedly guided the rebirth of NYC as a force in American porn.

But the goal for *Cum on My Tattoo* isn't about revolutionizing the adult industry; the objective is much more simple (and satisfying): Pretty girls with tattoos get fucked and the guy blows his wad on one of her tattoos. That's right, it's not complicated. It's just sex, made more colorful by the ink on the dolls. There is also the fetish factor since Joanna and her pussy posse are not traditional looking, girl-next-door types—for a lot of guys, they are nothing short of exotic. Let's find out if they live up to our sex expectations....

PIXIE PEARL & TOMMY PISTOL
Tats. Full-back pixie wings; red circles along collarbone; "lovecat" on wrist
Pixie on Pixie's tattoos: "I designed my wings myself"

Ahh, there's nothing like New York girls, and Pixie Pearl is the incarnation of thousands of fantasies from Brooklyn to the Lower East Side and beyond. Tattoos, pierced bottom lip, pussy shaved clean, perky little tits, and an ever-ready attitude make her a worthy object of our affection.

After a too-brief tease, we see Tommy Pistol, Pixie's lucky mate, and he quickly dives in to give her snatch a lengthy tongue and finger treatment. She snaps out of her ecstasy and into another one, this time with a cock in her yap-hole. His dick slides easily into her mouth, Pixie closing her eyes as his full staff disappears into her throat.

It's not until Pixie climbs on to ride his tool that we really see her attributes clearly—the firm and shapely ass, the small, elastic tits, the perfect gap between her legs. She rises and follows fluidly, moaning sweet encouragements to Tommy as they pick up speed. They morph around until he is on top, her legs pressed back and his cock at maximum discovery. When he bends her over and fucks her from behind it's clearly a setup for blowing his load on her tattoo, and sure enough her wings are doused with white fuel.

JOANNA ANGEL & MR. MARCUS

Favorite tattoo: "My newest one. It's a pinup girl that says 'daddy's little princess' on it. Isn't that just so wrong?"

Joanna on Joanna's piercings: "Gauges in my ears, I took the rest out."

We'd be nowhere without Joanna Angel, and for anyone wondering what all the hype is about, just take a look. Pretty face, meaty tits, beefy pussy—she's the sexy NY girl gone porno, something that just doesn't

happen often enough

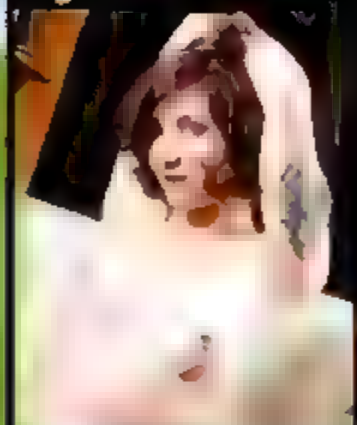

Mr. Marcus sucks and licks her pussy lips, which Joanna certainly enjoys, but she's anxious for the legendary Mr. Marcus manhood, which she sucks anxiously, trying desperately to get it all in her mouth and having a hard time of it. That's understandable, but can the petite punk rock girl fit it all in her cooch? Mr. Marcus aims to find out, bending her over on the bed and quickly sliding it in. Joanna claws the comforter, screaming wildly, her big lips grip his cock every time it retreats, her curtains stretching away from her body.

Next she tries being on top, successfully working herself into a bouncing frenzy, her rack riding up and down her chest, eventually maneuvering herself into a position of great comfort, allowing her to play with her clit until

JOANNA

KYLEE

she cums all over Mr. Marcus' schlong. Having risen to the challenge, Joanna takes things one step further—by letting him nail her in the ass! It doesn't last long, but she takes every inch in that sweet ass. Only thing left is to cum on her tattoo, which he does.

PINKY LEE & TOMMY PISTOL

Tats. Rillakuma (relax bear) on each wrist; an old union slogan on the back of arm

Pinky on Pinky's tattoos: "Monroes and septums."

Pinky proves that Pittsburgh girls have an edge, too. She's quick through the tease, displaying wonderfully taut, young breasts with pierced nipples, then moves on to the cock-pleasing, tight-lipping Tommy Pistol's veiny hose.

Pinky, whose day job is teaching ballet, shows amazing flexibility as she balances with one leg shooting straight in the air, opening up the possibilities for Tommy. He fingers her wetness, laps it up, then bends her over for some flesh

probing. She sticks her round rump in the air and Tommy presses his dick deep inside her vag. When Pinky gets on top to ride rod we get a long look at her tight dancer's body, her puffy snatch, and her young bra-busters.

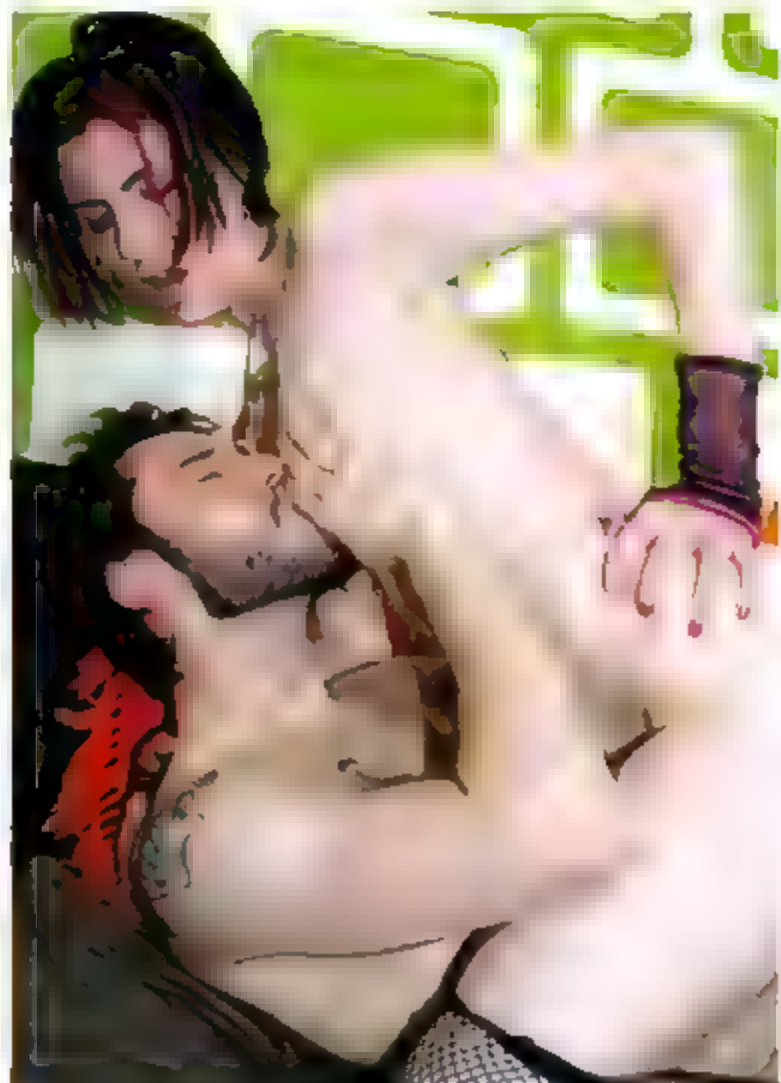

After another doggie romp, it's blast on the ink time, and Pinky becomes suddenly loud, screaming for him to cum on her tattoo. Well, she doesn't have to yell, of course he'll douse her colors. He plops down a generous load on her arm candy.

KYLEE KROSS & JAMES DEEN

Tats. Too many to count

Kylee on Kylee's tattoos: "The world with a banner around it that says 'Burning Angel' and Kylee Kross around it. Burning Angel is one of the far most important things in my life. BA is my second family."

Pinky and Pixie got off easy with Tommy Pistol; Kylee with James Deen? Not so much. James puts the "hard" into "hardcore," ramming, cramming, and slamming the colorful Kylee, and

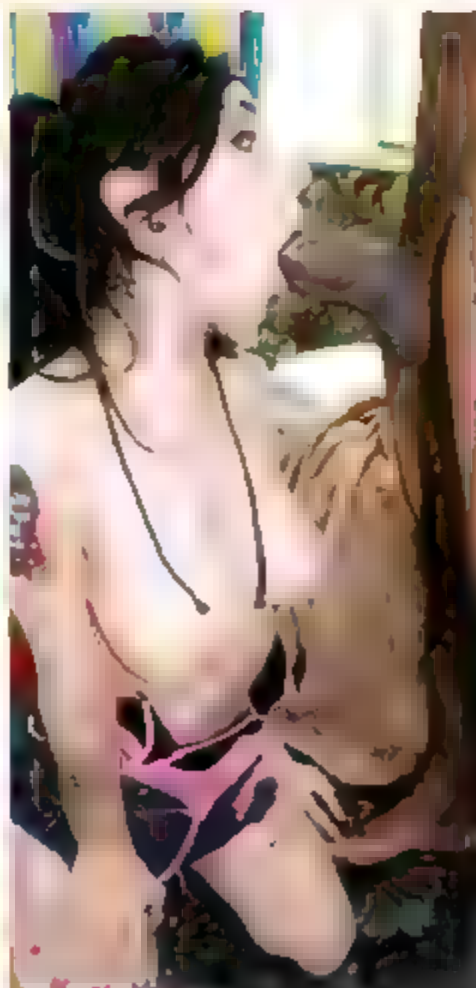

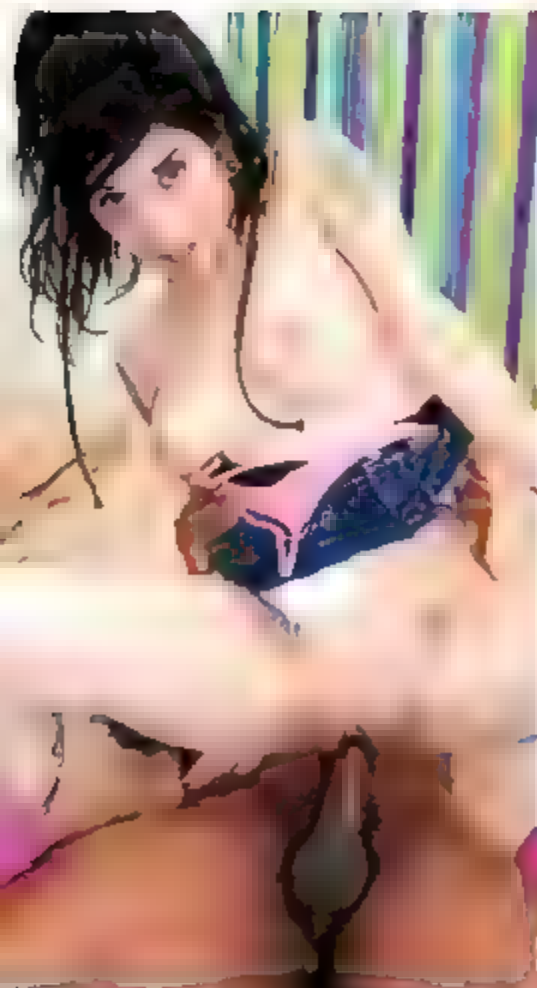

Winged Pixie Pearl
gets a shot from
Tommy Pistol's

**Queen Bee Joanna Angel
meets equally tatted-out

that's just the blowjob. Anxious to stick his tool between her legs, he bends her over and plows into her bald snatch. Undaunted, Kylee insists he fuck her harder. He bends her around a bit for position, then crams it fast and hard, her pussy gaping for action.

If ink is your thing, Kylee is your doll. Stomach, chest, back, arms are all covered. If you're just in it for the pink, she's got that, too. When she gets her turn on top, she rides him every bit as hard as he went into her. For a little final position he nails her missionary, her body curled up in a chair. Finally time to blow, he shoots white stripes on her ear, which sports a star tattoo.

JOANNA ANGEL, KYLEE KROSS & ROB ROTTEN

We've seen what Joanna and Kylee can do individually, but what happens when they team up? They are inseparable and anxious, kissing and exploring, eager to get each other's clothes off. Kylee gives Joanna some serious pussy-licking with her pierced tongue. Just when you think you'll never be able to

Pinky Lee and Tommy. . .
give as good as they get!

Deen's sausage!

Joanna Angel and Kylee Kross meet Rob Rotten. Is he a Burning Angel, too?!

pry the little lovebirds apart, in walks Rob Rotten and suddenly both girls go after his tattooed cock, sucking madly, one on the shaft, the other on the balls, switching, practically wrestling for it.

Rob's all-pro and he knows how to handle the pretty pair. He sets Kylee on a little stool, bends over Joanna so her ass is pointed at him and her face is pressed against Kylee's girl hole, and everyone is set. He nails Joanna solid, then lies back on the floor so Kylee can take a ride while Joanna watches, pleasuring her own snatch and kissing her. Joanna then maneuvers over so Rob can eat her out while he continues to satisfy Kylee with his hard rod—talk about the spoils of victory! Next Rob pulls the old stack-'em-up trick, with Joanna on top, going from one pussy to the next, then back again. A classic!

The only problem of whose tattoo to cum on is no problem at all. He takes Joanna on the arm while splattering Kylee on the chest. Tattoo you!

Lacey

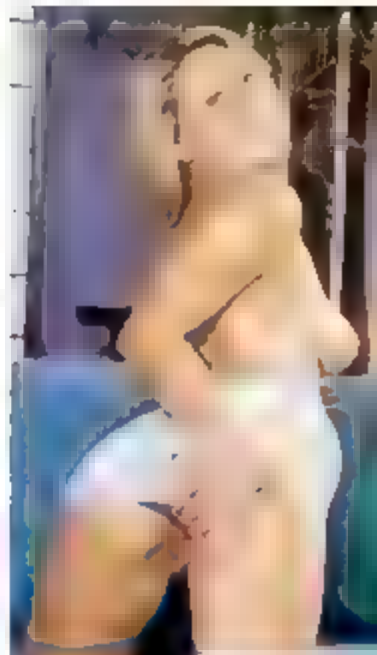

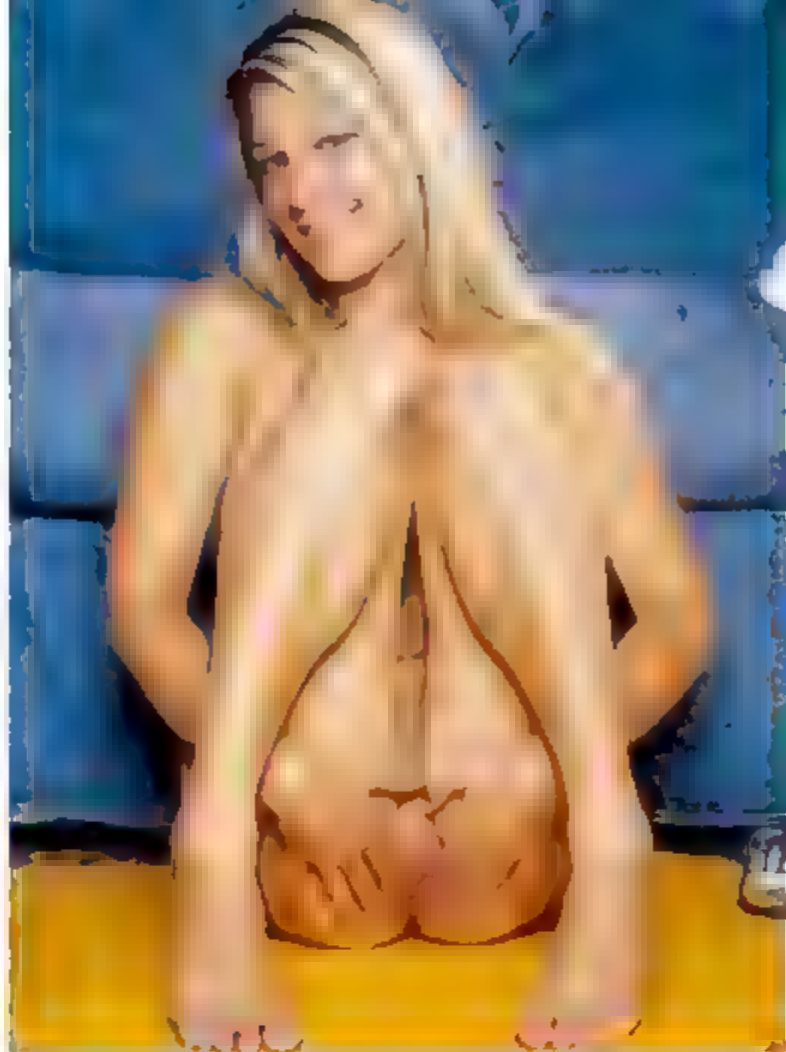

Even though she doesn't wear "lacy" undergarments just yet, this Lacey looks great in anything she wears—and, obviously, she looks terrific when she wears nothing at all. When there are no boys around, Lacey loves to play with herself, and with those big, bouncy boobies and juicy pussy, we can't say that we blame her! Go on Lacey, unlace yourself, the HAWK fans await you—and they love what they see!
